Master of Science in Organizational Management (MSOM) Degree

The Master of Science in Organizational Management (MSOM) program is a professional degree designed to support the development of leaders to ensure the organization's staff is organized, trained, guided, and motivated in such a way as to reach their greatest potential. The MSOM provides a broad-based perspective of organizational leadership and the student gains the knowledge and competencies needed to support the organization in its efforts to fulfill its missions. Finally, the MSOM promotes opportunities for career advancement, employment mobility and lifelong learning opportunities for leaders of organizations.
